

MD MEDICAL GROUP LAUNCHES MULTIFUNCTIONAL FAMILY CLINIC IN MOSCOW

25 January 2024 – MD Medical Group Investments Plc (“MD Medical Group”, “MDMG”, the “Group or the “Company” – MOEX: MDMG), one of the largest private healthcare companies in Russia, is happy to announce the opening of a multifunctional family medical centre MD Group Zilart in Moscow.

The new medical facility caters to the healthcare needs of women, men, and children and is nestled within the Zilart business-class complex, a favoured residential destination for families, boasting a remarkable scale and a thriving social, cultural, and educational infrastructure of its own as well as that of Moscow’s Southern Administrative Area.

Spanning 452 square metres, the new medical centre has an annual capacity of over 50,000 out-patient treatments. The facility offers consultations for adults in areas such as therapy, cardiology, gastroenterology, neurology, endocrinology, otolaryngology, ophthalmology, obstetrics, gynaecology and other disciplines. Ultrasound and functional diagnostics are also available. For little patients, there is a team of dedicated paediatricians, neurologists, cardiologists, endocrinologists, otolaryngologists, ophthalmologists, and ultrasound doctors. The clinic has a total of 13 outpatient care rooms, including dedicated vaccination and treatment areas.

With a focus on uncompromising quality, MD Group Zilart features world-class equipment and delivers healthcare services that meet MD Medical Group’s rigorous standards. Total investments in the project reached some RUB 81 million.

MDMG CEO Mark Kurtser said:

“We are delighted to offer superior close-proximity medical care to the residents of Zilart and the entire Southern and Southeastern Administrative Areas of Moscow. Our commitment to family-oriented clinics aligns perfectly with our strategy to scale up multifunctional medical care offering. Zilart is a unique residential destination that fully fits our target audience profile in this segment. The MD Group Zilart outpatient centre will help boost the utilisation of our hospital capacities, including our new hospital in Moscow’s Michurinsky Avenue.”
