MD Medical Group to Expand Moscow Clinic

18 September 2014, Moscow, Russia – MD Medical Group Investments Plc (“MDMG”, the “Company”, or the “Group”), Russia’s leading provider of private women’s and children’s healthcare, announces that it has expanded its Mother & Child Clinic Yugo-Zapad in Moscow in order to meet growing demand for services at the clinic.

MDMG has expanded the area of the clinic by 40% reaching a total of 335m², having invested approximately RUB 40 million in the expansion of the facility and the acquisition of additional equipment.

This will enable the Group to keep up with the strong demand for its core services of obstetrics, gynaecology (OBGYN) and paediatrics, and also to provide treatment in the areas of general medicine, urology, endocrinology and others.

Elena Mladova, CEO of MD Medical Group, said:

“We are pleased to have successfully expanded the premises of our Yugo-Zapad clinic, as we aimed to keep pace with strong and growing demand for medical services. The expansion will ensure that we can continue to provide services to our patients in the high-quality, spacious and comfortable environment, which they have come to expect from MDMG.”
