

MD MEDICAL GROUP EXPANDS ITS PRESENCE IN UFA

26 November 2025. MD Medical Group IPJSC ("MD Medical", "MDMG", "Group" or the "Company"; MOEX: MDMG), a leading Russian private healthcare provider, announces the opening of a multidisciplinary family medical centre in Ufa.

The new clinic, with a total area of 355 sq.m, is located in the heart of the city and offers a wide range of medical services and specialties for the diagnostics, treatment, and prevention of health issues for all family members. The clinic provides services by such specialists as obstetrician-gynecologist, reproductive specialist, therapist, pediatrician, adult and children's endocrinologists and gastroenterologists, urologist, coloproctologist, andrologist, neurologist. It offers laboratory diagnostics and ultrasound examinations. "Mother & Child Ufa" provides for an adult and children's polyclinic, where, in addition to diagnostics and treatment of various diseases affecting young patients, comprehensive medical examinations will be carried out. The convenient location of the clinic will allow to increase the number of both repeated and primary patients of the Group.

In 2014, one of the largest hospitals of the Group was opened in Ufa, which became the first private multidisciplinary hospital in the region. The new clinic will work in close connection with the existing hospital, where we will be able to send patients for more extensive diagnostics or surgical interventions.

Situated in owned premises, the new medical centre is designed to accommodate 42,000 visits annually. The clinic has received a total investment of RUB 60 million for its opening and outfitting, financed entirely through the Company's own resources.
