

## **MD MEDICAL GROUP EXPANDS GEOGRAPHY WITH NEW CLINIC IN NOVOROSSIYSK**

**9 February 2026** – MD Medical Group IPJSC (“MD Medical”, “MDMG”, “Group” or the “Company”; MOEX: MDMG), a leading Russian private healthcare provider, announces the opening of a clinic in Novorossiysk, a new city for the Group.

The Mother and Child Clinic in Novorossiysk, with a total area of 206 square meters, is located in the heart of the city and offers a wide range of specialized services in areas such as pregnancy monitoring, ultrasound diagnostics, obstetrics and gynecology, mammology, neurology, gastroenterology, therapy, cardiology, and endocrinology. The clinic will offer laboratory diagnostics (including biochemical screening of pregnant women with two-hour risk calculations), counseling for couples on miscarriage, infertility, and pregnancy planning. The clinic's capacity allows for 24,000 out-patient visits per year.

The new clinic will operate in close association with the Group's nearby multidisciplinary medical centre in Anapa, which opened in 2024. Patients at the new clinic will have access to a wide range of diagnostic and rehabilitation services from MD Group Anapa clinic. At the same time, complex pregnancy management for patients at the Anapa medical center can be complemented by biochemical screening to diagnose congenital pathologies and genetic disorders in the fetus at the Novorossiysk clinic. The Group's unified laboratory information system will allow results to be obtained at a location convenient for the patient as quickly as possible.

Situated in leased premises, Mother & Child Surgut has received a total investment of RUB 59.7 million for its opening and outfitting, financed entirely through the Company's own resources.
