

**MD MEDICAL GROUP NAMED NO. 1 PRIVATE MULTIDISCIPLINARY  
CLINIC IN RUSSIA**

**29 October 2018**, Moscow – MD Medical Group (the “Company”) has been recognised as the leader in the 2017 Top 100 Private Multi-Disciplinary Clinics in Russia rankings compiled by an authoritative healthcare business magazine Vademecum.

In 2017, the Company reported the highest revenue (RUB 13,755 mln) and the most expansive regional network (18 Russian regions) among 100 participants of the rankings, and also received the highest score in the business transparency category.

MD Medical Group has topped the industry rankings by Vademecum for the third year in a row since the rankings’ inception. The Company was also the leader in the first rankings of the largest private clinics in Russia compiled by Forbes in 2017.
