

## **MD MEDICAL GROUP OPENS CLINIC IN ROSTOV ON DON**

**15 January 2020, Moscow** – MD Medical Group Investments Plc (“MD Medical Group”, “MDMG” or the “Company” – LSE: MDMG), a leading Russian private healthcare provider, announces that it has opened a new clinic in Rostov on Don. Investment in the project amounted to around 50 million roubles.

Mother&Child Rostov on Don has a total area of 422 sq. m. and is the third medical facility of the Group located in the Southern Federal district of Russia. The clinic offers a wide range of services for women including IVF, ultrasound, gynaecological treatments and antenatal care. Patients will be offered medical consultations with highly qualified obstetricians/gynaecologists, reproductologists, endocrinologists, urologists, andrologists and other specialists.

The clinic has annual capacities of up to 400 minor gynaecological operations; up to 1,000 IVF cycles, including under the Mandatory Health Insurance (MHI) programme; and more than 26,000 out-patient treatments per year.

The Rostov on Don clinic has been created in line with MD Medical Group’s customary high standards of medical care and is fitted with world-class equipment produced by KARL STORZ, Nikon, GE healthcare, Olympus, Origio.

### **Mark Kurtser, CEO of MD Medical Group, said:**

“ We consider the opening of the new clinic in Rostov on Don as the continuation of the our strategic goal to operate in all of the 15 cities in Russia with a population of over 1 million residents. Today our doctors provide highly professional medical services in almost all of the major administrative and economic centres of Russia. Now we’re starting to operate in Rostov on Don – the capital of the Southern Federal District of Russia, a city rich in traditions which sets a dynamic tone in the development of a vast region with enormous perspectives”.

**Forward-Looking Statements:**

This press release contains forward looking statements, which are based on the Company's current expectations and assumptions and may involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. The forward looking statements contained in this press release are based on past trends or activities and should not be taken that such trends or activities will continue in the future. It is believed that the expectations reflected in these statements are reasonable, but they may be affected by a number of variables which could cause actual results or trends to differ materially, including, but not limited to: conditions in the market, market position of the Company, earnings, financial position, cash flows, return on capital and operating margins, anticipated investments and economic conditions; the Company's ability to obtain capital/additional finance; a reduction in demand by customers; an increase in competition; an unexpected decline in revenue or profitability; legislative, fiscal and regulatory developments, including, but not limited to, changes in environmental and health and safety regulations; exchange rate fluctuations; retention of senior management; the maintenance of labour relations; fluctuations in the cost of input costs; and operating and financial restrictions as a result of financing arrangements.

No statement in this press release is intended to constitute a profit forecast, nor should any statements be interpreted to mean that earnings or earnings per share will necessarily be greater or lesser than those for the relevant preceding financial periods for the Company. Each forward looking statement relates only as of the date of the particular statement.
